Congratulations to Professor Address Malata, Vice Chancellor of the [Malawi University Of Science and Technology](#), for being awarded the prestigious 2024 University of San Francisco, California (UCSF) Presidential Chair Award. She will serve as a distinguished visiting professor in UCSF's Department of Epidemiology and Biostatistics for one year beginning July 2024. Professor Malata is the first female Vice Chancellor at a public university in Malawi, a trailblazing academic in STEM, and an advocate for child and maternal health. We wish her all the best!
