14th International Conference on Public  
Management, Policy and Development

June 15-22

**2026**

Luanda, Angola

## “Pioneering Progress: Leveraging Education, Technology, Innovation and Entrepreneurship for Transformative and Resilient Development.”

We are excited to cohost the 14th International CIMPAD Conference with the government of Angola, VENANCIO de MOURA DIPLOMATIC ACADEMY. Conference activities begin on June 15 with preconference educational tours of the slave and the military museums, where you will be immersed in the unique history and culture of the country. Participants will enjoy a city tour of Luanda, capital of Angola. Located on the beautiful Atlantic coast of northern Angola, you will see the country’s largest city and one of its busiest seaports. Preconference activities will commence with a reception on the evening of June 16. The General Conference will begin June 17 and end on June 19. The event is expected to draw hundreds of governmental and nongovernmental participants from the southern Africa region, including leaders and heads of state. Our invited US speakers include renowned Attorney Ben Crump, Dr. Ky Dele, Dr. Milton Mattox and other US experts in Africa Trade and Artificial Intelligence. A post conference tour will include educational and cultural visits outside of Luanda to offer a deeper understanding of Angola’s natural beauty. We will visit the mesmerizing Miradouro da Lua with panoramic views, slightly similar to the Grand Canyon. It is a colorful extraterrestrial looking formation shaped by erosion, a geological marvel that truly lives up to its name. This breathtaking site offers visitors a glimpse into an otherworldly landscape, making it an essential stop for anyone exploring the Angolan coast. The post conference tour will end on Sunday, June 21st with a unique worship experience at Kimbanguist Church. This beautiful African mega church is very unique and was built by members of the congregation, and has over 1 million followers.
